New Belgium Accumulation White IPA

- Style: White India Pale Ale Package: 6-12oz Bottles, 12-12oz Bottles, ½ bbl ABV: 6.2% IBU: 70
- This winter, IBUs start accumulating like snow in Colorado with our new Accumulation White IPA. Brewing a white IPA was not only a way to salute the white beauty falling from the sky, but a direct revolt to the longstanding tradition of brewing dark beers for winter. At least that's what our rebellious brewer Grady Hull likes to claim as he shovels in plenty of new hop varieties and a bit of wheat for a smooth mouthfeel.

Sierra Nevada Celebration Fresh Hop IPA

- Style: Fresh Hop IPA Package: 6-12oz Bottles, 12-12oz Bottles, ½ bbl ABV: 6.8% IBU: 65
- The start of Celebration season is a festive event. We can't start brewing until the first fresh hops have arrived, but once they have the season is officially under way! First brewed in 1981, Celebration Ale is one of the earliest examples of an American-style IPA and one of the few hop-forward holiday beers. Famous for its intense citrus and pine aromas, Celebration is bold and intense, featuring Cascade, Centennial and Chinook hops.

New Belgium Ben & Jerry's Chocolate Chip Cookie Dough Ale

- Style: Golden Ale Package: 6pk Bottles, 1/6 bbls ABV: 6%
- To craft this confection, we dove into our favorite chocolate chip cookie recipes for inspiration, and then whipped hefty doses of chocolate, brown sugar and vanilla into a dough-hued blonde ale base. The result is a full-bodied beer that seduces with a perfect balance of vanilla and chocolate, and finishes with just the right amount of sweetness. Put down the spoon, pick up a pint.

Southern Tier Old Man Winter Ale

- Our Winter offering is here to quell your shivers and get you through the coldest of nights. A rich marriage of hops and barley to cast light upon the evening and melt your mind out of the snowdrifts. Old Man Winter's earthy hue and thickness lace around the glass, inviting you to linger in its warmth and share the spirits of the season with your friends and family. A deceptively strong brew, it's best to sit and ponder with this old man, sip by sip

Southern Tier Krampus

- Style: Imperial Helles Lager Package: 12-22oz Bottles ABV: 9.0% IBU: Medium
- This Christmas season, enjoy a Krampus Imperial Helles Lager and decide whether you are naughty or nice. Finished with lager yeast and aged cold for no less than 30 days, it is the medley of rich, dark malts and aromatic hops that make this a diabolical brew, threatening to warm even the most frigid of hearts.
