Hopothesis Beer Co. – Darwin's Bird

Package: 6-12oz Cans

ABV: 6.5%

- Style: Black Saison Ale w/ Honey
- On his second voyage aboard the Beagle, Charles Darwin discovered a remarkable diversity among the Finch birds inhabiting the Galapagos Islands. Each bird had a unique beak to suit its particular food choice. Craft beer drinkers also have unique taste buds. Darwin's Bird is a Black Saison, uniquely designed to be a savory treat. Although its appearance is dark and foreboding, the aroma is on the contrary. An illusion of sweet cloves, toasted sugar, & vanilla are brought on by the generous serving of all natural honey from Osage farms in nearby Michigan. Finally, this medley is rounded out by juicy Mandarin hops and Belgian yeast giving it a nice, clean finish. Pairs with roast duck, White Stilton cheese, apricots, and bread pudding.

Southern Tier Brewing Co. – Imperial Cinnamon Roll Ale

ABV: 8.6%

- Style: Imperial Ale brewed with Notes of Cinnamon and Vanilla
- The scent of our brewery on brew days is irresistible. Akin to the morning’s first brewed batch of perfectly roasted coffee, the aromas envelope you and cause the corners of your lips to curl into the slightest unconscious smile. In this brew, lightly toasted malts with subtly spicy hops blend into cinnamon flavors and creamy lactose sugar. Their coalescence is so uncannily close to fresh baked cinnamon rolls that it was impossible to name this beer anything other than Cinnamon Roll Imperial Ale! Pairs perfectly with eggs benedict at brunch, after dinner, or next to the fire for an unforgettable nightcap.

Southern Tier Brewin Co. – Choklat

Package 12-22oz Bottles, 1/6 bbls

ABV: 10%

- Style – Imperial Chocolate Stout
- The Popol Vuh, the sacred book of the Maya, unfolds a complex web of mystery around a beverage known as Xocoatl. We’re not surprised that ancient hieroglyphs depict chocolate being poured for rulers & gods. Cacao is a mystical bean. Choklat is, without a doubt, a dessert beer. It encompasses the complexity of the darkest, bittersweet candy together with that of the original frothy beverage of the Mayans. We combine the finest ingredients to tempt your senses & pay homage to history in every glass.
